VIRGINIA
PASSENGER RAIL
AUTHORITY

TWO OPPORTUNITIES TO ATTEND THE VIRTUAL PUBLIC MEETING: FEBRUARY 28, 2022 AT 6:00 PM | MARCH 1, 2022 AT 12:00 PM

The Virginia Passenger Rail Authority (VPR) invites the public to an informational meeting to summarize the findings of the New River Valley Passenger Rail Station Feasibility Study (the "Study") and present the next steps for the station project. Please join us for this important presentation.

About the Study:

To better connect statewide Amtrak service to southwestern Virginia, VPR began a feasibility study in Fall 2021 to examine station locations in the NRV. The Study builds on previous work analyzing the development of a NRV Station for the region, and assesses station location opportunities that are now possible because of the Governor's May 2021 announcement.
