

VPRA Decision Brief

Resolution Authorizing Applications for FTA Federal Transportation Assistance **October 20, 2022**

Issue: VPRA is applying for federal transportation assistance supplied by the Federal Transit Administration (“FTA”).

Facts: VPRA is currently taking the necessary steps to become an eligible recipient of FTA federal transportation assistance with respect to certain transportation projects and initiatives. FTA requires a specific board resolution authorizing application for such assistance. The resolution would authorize VPRA to apply for assistance, to file annual certifications, and to enter into a grant or cooperative agreement for the assistance.

Recommendation: Authorize VPRA to apply for FTA federal transportation assistance.

Action Required by VPRA: Approve the authorization for VPRA to apply for FTA federal transportation assistance.

Options: Approve. Deny. Defer.
