# 2023 General Assembly Session

- Began January 11, 2023
  - “Short Session” – in odd years, the legislature meets for 45 days
- VPRA does not have any initiated legislative proposals currently active
- Legislative Priorities
  - Monitoring and vetting all introduced legislation for potential impacts on the organization, business operations, and projects
  - Providing members of the General Assembly with project updates
    - Chair Debruhl presented to the House Transportation Committee, and Director Stadler presented to the House Appropriations Transportation Subcommittee
  - Building relationships with members, especially those with projects in their communities
- VPRA Legislative Review Team
  - Activating the expertise and knowledge base within the organization, ensuring we properly vet bills for unintended consequences
- Partnership with DRPT
